Packmate™

Packmate are the UK's leading supplier of vacuum storage bags, providing clever storage solutions and innovative ideas to protect and store your clothes and bulky items all year round. These versatile storage bags compress to a fraction of the size, creating up to 4 times more space, enabling them to be stored neatly away under the bed, in a drawer or in a cupboard. The easy roll travel bags are perfect for saving space in your suitcase, so you can maximise space when travelling.

Packmate is the only vacuum bag brand to hold the Good Housekeeping Institute seal of approval. We are always seeking ways to introduce innovative ideas to make our vacuum bags the best available. All our bags are environmentally friendly by being long-life, multi-use and recyclable.
